

Optimize Locum Tenens Staffing with Qualivis

Qualivis is the only vendor-accountable managed service provider created by hospitals for hospitals. We partner with more than 200 vetted agencies, including over 50 specifically for locum tenens, to optimize locum tenens fulfillment for your unique facility.

Our experienced agency partners engage a robust pipeline of physicians and advanced practitioners in the following specialties:

- Primary Care/Urgent Care
- Psychiatry
- Emergency Medicine (ABEM, IM, FP & GP)
- Hospitalist/Intensivist
- Surgery
- Anesthesia/CRNA
- IM Sub-Specialties

Qualivis implements the following tools and strategies to optimize cost and fulfillment for your locum tenens staffing needs:

Tech-driven candidate engagement

We engage partners that leverage digital marketing and personalized algorithms to increase engagement with your open positions. Using an intuitive platform, candidates can quickly review job requirements and submit applications.

Transparent fee structure

We deliver competitive rates to keep fair market pricing with no administrative, daily, seasonal or additional fees so clients can make smarter staffing decisions and increase revenue.

Lotus Partner Network

Qualivis clients have access to over 50 vetted partner agencies for additional, experienced recruiters to fill your job quickly.

One point of contact

Your dedicated account manager collaborates with you and our partners to find the best provider(s) for your facility. This single point of contact streamlines communication between our internal logistics team to ensure your staffing needs are met.

Quality review team

Candidates undergo a thorough screening process by account management and review teams. This process ensures a high-retention rate and zero surprises during the credentialing process.

Put locum tenens to work for you with Qualivis' strategic approach.
